

## Just Add Power

*Just Add Power*

## IR Receiver/Eye for use with HD over IP Receivers

\$20.00 

The Just Add Power HD over IP devices support a return IR signal. The Return IR Control function is best suited for a Point-To-Point application, and is of limited value in a Point-To-Many environment. For installations in a Many-To-Many environment it is necessary to use a third party home automation solution to provide distributed remote control functionality.

NOTICE: HD over IP and HD/IP are global trademarks or registered trademarks of Just Add Power Cardware Co., Inc. HDMI, the HDMI Logo, and High-Definition Multimedia Interface are trademarks or registered trademarks of HDMI Licensing LLC in the United States and other countries.
